Its modern skyline is dominated by the 451m-tall Petronas Twin Towers, a pair of glass-and-steel-clad skyscrapers with Islamic motifs. The towers also offer a public skybridge and observation deck. The city is also home to British colonial-era landmarks such as the Kuala Lumpur Railway Station and the Sultan Abdul Samad Building.</p>
Day 2	<p>Kuala Lumpur City Tour. Breakfast at the Hotel. The capital city of Malaysia is an extremely popular travel destination in for tourists planning to visit the Asian region. This is why tourists search a complete tour of Kuala Lumpur because they need to cover a lot of ground in order to truly capture the city's history, current development, and future potential. You can take pictures of a couple of magnificent city symbols dominating the KL skyline which are the breathtaking Petronas Towers, the tallest twin buildings in the world and two 88-story Islamic masterpieces with a post-modern architectural design which was in 1996. The equally impressive KL Tower has the highest viewpoint in KL because it's also the seventh tallest communication tower in the world which tourists can experience because it's open to the public The tour will drive past the picturesque and sprawling 91.6-hectare urban park known as Lake Gardens on your way to the National Monument, a historical structure that commemorates Malaysia's fight for freedom during World War II. In the nearby National Mosque of Malaysia tourists can feast their eyes on its awe-inspiring modern construction built using a modern architectural style in reinforced concrete to symbolize the country's newly-gained independence. Plus, you can experience the unique balance of Eastern and Western architecture of the historic K.L. Railway Station, built in 1886 continues to operate to this day.</p>
Day 3	<p>Tour to Sunway Lagoon with 6 Parks. Breakfast at the Hotel. Today we proceed for a Full Day Tour to Sunway Lagoon with entrance to 6 Parks. Sunway Lagoon is a one-stop place for fun over 90 attractions spread across 88 acres, it provides the ultimate theme park experience in 6 adventure zones — Water Park, Amusement Park, Wildlife Park, Extreme Park, Scream Park & Nickelodeon Lost Lagoon— Asia's 1st Nickelodeon Themed Land. Once you step in, you can spend the entire day here! Explore the various dining options available at the theme park. Amongst the water rides, Vuvuzela is perhaps the most popular amongst the visitors. It's the world's largest vortex water ride. Some other adrenaline pumping rides of this park include river-rapid rides, body slides, roller coasters, and tube slides. The Sunway Nickelodeon Park is another extraordinary attraction for kids. If you think that the theme park is primarily for children, well, think again. This theme park is quite enthralling in nature. If that's not enough, the wild adventures, such as bungee jumping, flying fox, archery, the Extreme Park will have you bite your nails with adrenaline rush! Witnessing the beauty of wild animals at the Wildlife Park is another reason to visit this park.</p>
